WANTED - LAND FOR "RADIO CONTROLLED" AIRPLANE FLYING
A flying site for a "Model Aeronautic Association of Canada" club The High Country Flyers.

Due to a property sale we were displaced from our site on the old "Morrison Ranch" on the way to Logan Lake from Kamloops. We were there for 21 years. Our members are responsible and we can provide references to how well we looked after our previous site. The Model Aeronautic Association of Canada provides "Liability Insurance" of 7.5 million dollars for the property owner and the same for each of the club members.

- Desired site should be south of Kamloops.
- Site size needs to be approx. 1000' long X 300' wide with an open area to fly over.
- We would look after any owner fencing requirements.
- Club member ship averages between 20 & 30 locally.
- On a typical flying day at the field there are 2-6 flyers.

In other words: Do you have a piece of land that is not being used or is useless to you?
HCF can clean it up and make use of it.

AgriStability Interim Application

The 2016 interim applications are available on the AgriStability website. If you would like to apply please go to www.gov.bc.ca/agribusinessmanagement or call our toll free line.

What is an Interim Payment?

An interim payment is an advance on a producer's final 2016 AgriStability benefit. If you have suffered an income decline beyond your control, the interim payment program may be of assistance. The interim benefit is usually up to 50 percent of your estimated final benefit.

Deadline

March 21, 2017

To Qualify

To apply for an interim payment, you must be a participant in AgriStability for the 2016 program year. Application details are available in the Interim Guide. If you receive an interim payment, you must submit a final 2016 Harmonized form by December 31, 2017 so your final AgriStability benefit can be calculated. If you do not submit a complete 2016 application by the deadline date, any interim payment you may receive will be considered to be an overpayment and you will be required to repay any benefits you receive.

Turnaround Time

Turnaround time is 30 days for an interim application.
